Dear garden enthusiast,

The Committee is delighted to extend a warm welcome to you for the 31st edition of The Riverland Rose and Garden Festival in 2025!

As always, our program is filled with many beloved and popular components that our visitors have come to look forward to. This year is no exception, and we promise a truly enchanting experience.

The Riverland is at its most beautiful this time of year, with roses in full bloom and gardens offering a relaxing and ambient experience. The region is alive with celebrations, highlighting the unique features that make the Riverland so special.

We are thrilled to announce that our Gala Dinner will once again kick off the 10 days of festivities, and this year we're celebrating it Greek style! Expect a fun-filled evening featuring meze platter, monster food, best-dressed competition, monster cash raffle, lucky door prizes, and much more.

Our program includes several cherished events, such as the Renmark Institute floral display, the Festival Fair, and the Waikerie and Districts Community Flower Show. Of

course, the heart of our festival is the open gardens, and this year you will have the opportunity to visit 20 beautiful gardens across the region. We extend our sincere gratitude to the gardeners for allowing their personal spaces to be viewed by the public over these 10 days. Their passion and dedication to all things gardening will be evident as you meander through these creative spaces.

We are also excited to welcome local wine company Ricca Terra to our Festival this year. They will be hosting four events, immersing themselves in the Festival with a floral theme. They will be celebrating all things Rosè, and incorporating a Garden Masterclass Series.

Lastly, we would like to extend our heartfelt thanks to our sponsors, committee members, committee guests, and everyone who has contributed in any way to putting on this festival year after year.

Remember, 'Life is better in the garden.'
Enjoy the Festival!

*Warm regards,
The Riverland Rose and
Garden Festival Committee*

Hon Zoe Bettison MP MINISTER FOR TOURISM

Welcome to the 2025 Riverland Rose and Garden Festival. For more than three decades locals and visitors have gathered here to celebrate springtime abundance and nature at its very best.

This year's program will again feature a variety of open gardens, the Waikerie & Districts Flower Show, Festival Fair, gala dinner and Renmark Institute display. Dedicated local event organisers make it possible, welcoming the community and supporters from across South Australia.

The State Government is proud to sponsor the Riverland Rose and Garden Festival through the South Australian Tourism Commission's Regional Event Fund. We know festivals like this one share Riverland stories – highlighting horticulture along with the wider region and its many attractions. Spring invites us to see native wildlife and explore the Murray River, along with visiting the restaurants, wineries and distilleries that draw inspiration from it in their offerings.

Please enjoy your time at the 2025 Riverland Rose and Garden Festival. We appreciate your support of South Australia's tourism industry.

Riverland Rose and Garden Festival acknowledges the traditional custodians of the Murray River and Mallee, and pays respect to Elders past, present and emerging.

Rosarian pair celebrate two decades of smelling the flowers

EFFORTS OF VOLUNTEERS ARE ALWAYS SO IMPORTANT TO THE RIVERLAND ROSE AND GARDEN FESTIVAL, AND LAST YEAR'S EVENT PROVIDED A FITTING FINAL CHAPTER FOR TWO LADIES WHO HAVE BEEN LONG-TIME CO-ORDINATORS OF THE RENMARK INSTITUTE FLORAL DISPLAY.

Jill Knight and Lorna Taylor announced they would be stepping back from their long-term roles of co-ordinators of the Renmark Institute Floral Display last year after more than two decades of dedication.

"(Jill and Lorna) were the engine room of the Institute," Riverland Rose and Garden

Festival Committee president Michelle Dominic said.

"They have been instrumental to the continual running of the Institute floral display, and integral to keeping the display to its high and beautiful standard."

When The Murray Pioneer asked how long Jill and Lorna had been involved with the institute's floral display, Jill said she "wasn't too sure".

"It's been a long time, perhaps a little over 20 years," Jill said.

"You forget where all the years go."

Similarly, Lorna believes she has been involved in the display for "around 25 years".

Though an incredible amount of work was required putting the display together, each year with different themes, Jill and Lorna said they returned annually for their "love for the festival... and the rose."

"We get a great satisfaction when people come in and say how lovely it is," Lorna said.

Proud to be recognised for their efforts, both Jill and Lorna said they would like to thank the volunteers they "rely heavily" on.

"Without them, and the support from their husbands, we wouldn't be able to do it," Jill said.

"It has been a great success... volunteers have always come across the Riverland to help and we have been very lucky to have them."

SATURDAY 11 OCTOBER - THURSDAY 16 OCTOBER

Coming up roses at Ricca Terra Wine Room

THE RICCA TERRA WINE ROOM, IN RENMARK, WILL BE A DESTINATION FOR UNIQUE EXPERIENCES DURING THE 2025 RIVERLAND ROSE AND GARDEN FESTIVAL.

The series of events is highlighted by the Pretty in Pink – Rosé in Review seminar/masterclass, being held on Wednesday, October 15, from 10am to 3pm. The history and technical aspects of the pink drink will be examined, with well-known wine importer Felix Riley providing insights into current market trends surrounding rosé, and Freestone Estates CEO Lucy Clements discussing the winemaking techniques relating to rosé.

Ricca Terra's series of popular In-House Winemaker nights will continue through the festival, with the event taking over the Wine Room on Thursday, October 16.

Saturday, October 11, will then be an unmissable day at the Wine Room for festival attendees. The Rosé & Runway – Fashion Parade & Prosecco event will turn heads, from 2pm to 5pm, before the Colour of Calmness Rosé Pink Party keeps celebrations going well into the evening.

Ricca Terra winemaker Ashley Ratcliff said the rosé category presented growth opportunities for the Riverland industry.

"We've looked at rosé as being an important category for the Riverland," he said.

"Rosé is one of the categories currently in the world that are doing well... and we can be a serious player in rosé coming from the Riverland.

"That's why we're coming towards these events with such a passion."

Finally, for the garden enthusiasts, the Rooted in Knowledge Workshops, on Monday October 13 and Tuesday October 14, will provide an opportunity to hear from experts looking at the finer details of garden design, sustainability, and seasonal care.

Keep an eye on the Ricca Terra Facebook page (www.facebook.com/RiccaTerra) for further information about the Riverland Rose and Garden Festival events.

All events will be held in the Ricca Terra Wine Room at 189 Murray Avenue, Renmark.

Visit Waikerie – “Immersed in Your Garden”

WAIKERIE AND DISTRICTS COMMUNITY FLOWER SHOW IN OCTOBER IS A MUST SEE FOR THOSE WHO LOVE THE BEAUTY, SERENITY, AND NATURAL CHARACTER OF GARDENS.

The Waikerie flower show had yet another amazing display last year showcasing the theme “At the Bottom of the Garden”. The display, planned, and crafted by committee member Carole Walker, features giant mushrooms, a variety of plants, and real-life fairies. The fairies help to make the display wonderfully interactive for all attendees, especially children.

The 2024 Waikerie & Districts Flower Show had a record number of entries. Many sections had to be shifted or moved to help make space for the amazing number of exhibits. As is typical for the time of year, the rose section was very popular. However, it was wonderful to see that all other sections had significantly more entries than normal. All tables were jam-packed with flowers and floral displays, making the Waikerie Memorial Institute filled with colour.

The tables for the children’s exhibits took pride of place in the Waikerie Memorial Institute. It was wonderful to see that

every school in Waikerie and Blanchetown had students that entered the flower show. Enthusiastic committee member, Amy Thompson, did an incredible job arranging workshops at a number of the primary schools to help the students create their own fairy garden, all of which were showcased at the flower show.

As always, the Waikerie & Districts Flower Show was very lucky to welcome back Alethia Quick for the judging of the floral art section, and also for several floral art workshops and demonstrations. Alethia’s amazing creative flair and witty humour always make these demonstrations very popular and entertaining. Alethia also puts on a free workshop for children which is also incredibly popular – so much so, that it was well booked out ahead of time.

The Waikerie flower show is incredibly lucky to have a number of very generous sponsors each year. Most sponsors are local businesses who may or may not be associated with flowers or gardening but are kind enough to support an annual community event. This includes the Loxton Waikerie council, who continue to cover printing costs and the Waikerie Memorial Institute to host the event.

This year’s flower show is expected to be just as popular.

The theme “Immersed in Your Garden” promises yet another fabulous display as you enter the Waikerie Institute.

The flower show committee have been gifting kid’s showbags

with seeds, potting soil, and decorations to encourage children to continue to enter the flower show. The Rain Moth Gallery is once again sponsoring the photography section, something that has always been very popular for both adults and students to enter.

This year’s theme of “Immersed in Your Garden” can involve anything that you might do in your garden whether it be reading, yoga, children climbing trees or playing in a cubby house, growing vegetables or picking flowers. You do not have to be a keen gardener to take part – anyone can enter, even if it is just one flower. We hope to see you at this year’s Waikerie & Districts Flower Show.

Great roses are timeless

The below is an excerpt from a 2018 interview with Renmark rose expert Kelvin Trimper, who passed away in 2024, regarding the release of the Queen's Birthday stamps, featuring the Queen Elizabeth rose...

KELVIN WAS BORN AND RAISED IN THE RURAL TOWN OF RENMARK IN SOUTH AUSTRALIA, AND THIS IS WHERE HE DEVELOPED A LOVE FOR PLANTS, ESPECIALLY ROSES, FRUIT TREES AND VEGETABLES.

"The rose is the most popular flower in the world and is known as the Queen of flowers," Kelvin said

"I have seen people cry over roses at weddings and funerals and roses are very significant in many different cultures.

"My parents had a rose garden of about 500 roses so I started at an early age. Roses are a favourite choice for the garden because they are easy to grow and maintenance is relatively simple.

"I love the classic beautiful flowers, many renowned for their superb strong perfume and when combined with their repeat flowering ability (for approximately eight months during the growing season),

improved disease resistance and wide range of colours, roses are very rewarding to grow and enjoy."

Kelvin is certainly a fan of the Queen Elizabeth rose, as featured on the domestic-rate Queen's Birthday 2018 stamp.

"Some really great roses are timeless," Kelvin said.

"A good example is the classic Hybrid Tea rose 'Queen Elizabeth', also known as 'Queen of England'. It is one of the world's most popular roses and has won many awards worldwide.

"The Queen Elizabeth rose is tall and upright and features attractive pink blooms on long straight stems.

"The elegant buds of darker pink open to moderately fragrant, classic shaped blooms. The bush is very disease resistant and almost thornless, with dark green, healthy foliage.

"I have enjoyed growing this rose for over 30 years."

Kelvin's favourite rose, however, is 'Gold Bunny'.

"In my garden, it hardly ever

Well-known Renmark rose expert Kelvin Trimper's favourite rose was the 'Gold Bunny'. PHOTO: Melanie Trimper

stops flowering and the bright yellow colour is very cheerful," he said.

"'Gold Bunny' is one of the earliest roses to flower in spring and keeps blooming until early winter. Soft gold in colour with a classic rose shape and light fragrance, the bush is neat

and compact, with bright lime green foliage and good disease resistance.

"A highlight is its ability to perform well in our hot, dry summers. 'Gold Bunny' can be grown as a hedge or in a mass planting and also makes an excellent standard rose on a 1m stem."

- Add 100g Seamungus to the bottom
- Space appropriately:
Hybrid Teas/Shrub Roses:
1.3-1.5m apart
Floribundas/Patios: 1m
Miniatures: 0.5m
- Place bud union 3cm above soil level

- Backfill halfway, water thoroughly, then fill completely

ROSE CARE & GROWING TIPS

SPRING: Fertilise and spray against black spot/mildew

JULY: Time to prune and plant new bare-root roses

LATE WINTER: Apply mulch while it's easy to move between plants

SUMMER: Water deeply every 5-7 days

FEBRUARY: Light trim + fertiliser boost
